PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 291A at Knox City, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 291A to Knox City, Texas, as that community's first competing FM service. The FCC data base currently shows Channel 297A as a vacant allotment at Knox City. Knox City is an incorporated city with a population exceeding 1,400 people. Knox City has its own mayor, Charles Lanford, its own volunteer fire department, its own post office, its own school district and a number of local churches.

Should this petition be granted, and Channel 291A be allotted to Knox City, Texas Petitioner will apply for Channel 291A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
